

## CARE CIRCLES – WILL YOU JOIN?

This is an invitation to join with the Church family in a new approach at our Church to caring for each other, that is offering pastoral care in the name of Christ through Care Circles.

Care Circles is how we plan to share in the care and compassion of Jesus Christ among our church family. This will involve the three Churches in our Parish.

### HOW DOES IT WORK

Your Care Circle meets socially around 4 times a year. This may be for morning or afternoon tea. It could even be a meal. Entirely up to your Care Circle. Each Circle will develop their own identity based on interests of their members. Each member of your Care Circle will be given details of members (ie. Phone numbers and addresses with everyone’s permission) and each person will be responsible for one or two in their Circle – this means if they are sick enquire after them or if they are not at Church maybe a phone call to see if they are alright.

Each Care Circle has two people who will be responsible for your group. These people will be responsible for facilitating the get-togethers and helping where needed.

You will have a say in which group you are in. This can be noted on the form when you fill out your details to join a Care Circle.

## CARE CIRCLES SIGN-UP FORM

We imagine that each group will have 8-10 people.
